

## Sierra Nevada Lower zone, Sierra Nevada Ski Village, 18196, GRX, Andalucia

High quality apartments, fantastic location. WIFI in public areas.

The ApartHotel Trevenque is located in a prime position in the central Plaza de Andalucia, very close to the Al-Andalus gondola up to the ski slopes and with all the main shops, bars and restaurants on its doorstep. The apartments here are amongst the highest standard in the resort, and are rated 3\*. Since this is an "aparthotel", there is the added benefit of quality hotel facilities including spacious and comfortable lounge areas, a billiard table, a bar and restaurant with breakfast and snack options, 24 hour reception, ski lockers and direct lift access to the resort's underground car park. There is also WIFI available in the public areas. There are 72 apartments available, all with TV and DVD player. All have a fully equipped kitchen and bathroom. Sizes are as follows:- Studios for two guests (two single beds of 90 cm each).- Studios for three or four guests (two single beds of 90 cm each, plus two additional beds). - One bedroom apartments for four to five people (two sleep in the bedroom in either two single beds or a double, and there is a sofa-bed in the lounge which can be used as two singles or a double bed for the third and fourth guest. An extra bed can also be added for a fifth guest).- Two bedroom apartments for up to six people (two in each bedroom: a double or two single beds in one bedroom and two singles in the second, plus a sofa-bed in the lounge which can be used as two singles or a double bed for the fifth and sixth guest). There is a complementary daily cleaning service for the apartments (kitchen not included). A laundry service is also available (at extra cost). Click here for YouTube video footage.
