Notes:

The "Online" rates apply only for pre-bookings and where a deposit payment has been received **at least 3 days in advance** prior to the lesson. These rates are charged on a "per person, per instructor" basis.***

"Online" Rates are valid for all periods EXCEPT between the 11th and 24th February 2019 inclusive.

* **Single Hour Lesson:** This tariff is applicable only where **just 1 hour is booked** and **is not** a supplementary figure to apply for extra hours in addition to those quoted.

* **Calculating additional hours:** Where an "odd" number of hours is required, the calculation made is to simply take the value of the lower "even" number quoted above, **nearest** to the hours required. Divide this amount down to a single hour rate and then multiply that figure by the number of hours required. **Examples as follows:**

3 hours required for 1 person: Take the 2 hour rate and divide it by 2 (hours) then multiply it by 3. I.e. for 1 person: 86€* divided by 2 = 43€. Multiply this by 3 to total 129€ for the 3 hours. *the "Online" rate is used in this example. For last minute bookings, the standard "in-resort" rates apply.

7 hours required for 2 people: Take the 6 hour rate and divide it by 6 (hours) then multiply it by 7. I.e. for 2 people: 295.70€ divided by 6 = 49.28€. Multiply this by 7 to total 344.98€ for the 7 hours. *the "Online" rate is used in this example. For last minute bookings, the standard "in-resort" rates apply.

TUITION RATES FOR THE WINTER OF 2018-19

13 hours required for 3 people: Take the 10 hour rate and divide it by 10 (hours) then multiply it by 13. I.e. for 3 people: 550.50€ divided by 10 = 55.05€. Multiply this by 13 to total 715.65€ for the 13 hours. **the "Online" rate is used in this example. For last minute bookings, the standard "in-resort" rates apply.*

* **Tiny Tot Taster:** This option is provided as a one-off single hour trial introduction designed to ensure your child is primarily enjoying themselves as they begin learning some basic techniques. This is a single hour rate only for up to 4yrs old incl., first time skiing only. Subsequent hours contracted will be charged at the published rates quoted above.

* **Published Rates:** The "Personal Tuition Rates" quoted are charged on a "per instructor" basis. Where two or more instructors are required, the hours are divided up and charged per instructor. **Example:** 2 instructors reserved; 1 person with one instructor and 3 people with another: The first instructor with 1 person does 4 hours and the other instructor, with 3 people, does 6 hours. The rate charged will be 171 EU (4 hours for 1 person) + 335.70 EU (6 hours for 3 people) totalling 506.70 EU, (Online booking rate).

* **All rates are inclusive of 21% VAT (IVA)**

* **Booking Terms of Service apply**
